

2018 Brush “I Need My Teeth” Assembly Evaluation

An electronic survey was sent to the teachers who scheduled the Brush “I Need My Teeth” assembly. Twenty-five performances were presented to schools in Michigan, Ohio, and Indiana, grades Pre-K through 5th grade. The assembly was presented to **4,085 students and 284 teachers or other adults**.

Results were overwhelmingly positive, with 95% of teachers indicating the assembly was above average or exceeded expectations. **One hundred percent of the teachers agreed or strongly agreed the assembly format was an effective way to teach children about oral health.**

- Exceeded Expectations
- Above Average
- Met Expectations
- Less Than Expected
- Unacceptable

We Asked Teachers...

Do you teach about oral health in your classroom?

14% Yes

72% Somewhat

14% No

Assembly cast in Lansing, MI celebrates 100th show

Teacher Comments

“My second grade class enjoyed the skit. Adding staff members and other students made the experience that much better.”

“The large visuals and student engagement were a great way to keep students focused and engaged.”

“The students enjoyed it all!”

“The skits/songs were fun and informative.”
